DISCIPLINE: WAN/LAN Protocols

Discipline Roadmap for: WAN/LAN Protocols

Implications and Dependencies

Individual agencies should conduct an evaluation for moving applications from SNA to current technologies.

Roadmap Notes

A business case analysis will be conducted to determine the timing of scheduling SNA for retirement. SNA investments should be curtailed pending completion of this business case analysis.

DISCIPLINE: WAN/LAN Protocols (Cont'd)

Discipline Roadmap for: WAN/LAN Protocols

□ July 2007

Discipline Boundaries:
□ WAN/LAN
Discipline Standards:
□ None.
Migration Considerations:
Those agencies with SNA networks should consider converting to IP Network when feasible.
Exception Considerations:
□ None.
Miscellaneous Notes:
May want to establish another Discipline for WAN Transport in the future.
Established Date:
□ April 28, 2004
Date Last Reviewed:
□ July 26, 2006
